

Firewire 400 cable 4-to-4 180cm from PHILIPS

Product number CF-44-018-BK

Length 1800mm

Product description

Firewire cable 4 pin to 4 pin, 1.8m, PHILIPS (item no. SWV2742T/10), high quality, 400 MBit/s (for IEEE-1394a, i.Link, DV, S400, Firewire 400), black

Application

Please have a look to the picture of the camcorder above. This camcorder has got a Firewire 400 port with 4 pins. This is the smallest Firewire port compared to the ports with 6 pins and 9 pins.

Many devices mark the Firewire 400 port with '**DV**', the well-known acronym for digital video. If you have the same kind of small port on the computer side, the 4 to 4 Firewire cable is the right one for your application.

Key Features

- Firewire 400 cable (IEEE1394a)
- PREMIUM quality
- from PHILIPS
- small plugs on both sides with 4 contacts
- color: black
- double shielded with twisted pairs
