

Angled USB Mini B adapter 5-pin 1-to-1 90° ANGLED LEFT

Product number K-028-L

Product description

Angled USB Mini B adapter, USB Mini 5 male to USB Mini B female (5 pin), angled 90° LEFT, all 5 pins connected 1:1 (e.g. recommended for navigation devices)

Highlights

- This compact adapter allows you to angle your USB mini-B socket by 90° to save space.
- Pin 4 is not normally assigned on mini-B USB cables. This is usually different for sat navs. Pin 4 is required. With this 1-to-1 connected adapter, you are on the safe side. Even specially assigned cables work perfectly in combination with this adapter.
