

MICRO USB cable: A male to Micro B 90° ANGLE up-down 1m

Product number CU-B46-10

Length 1000mm

Product description

MICRO USB cable: A male to Micro B 90° ANGLE up-down 1m

Highlights

- Space-saving angled cable
- Special angled plug: can be used in two 90° directions
- Brand-name product: DELOCK, Berlin

Application

- This cable, with so-called EASY-USB Type-A and EASY-USB Micro-B connectors, can be plugged into the corresponding USB socket in either direction. This is practical. The possible uses of the cable are doubled with EASY-USB: up/down 90°.
